### **About the Business.**

The Hillsborough Hire A Hubby territory comes with a great reputation and has been trading well for almost 10 years.

The business provides plenty of work.

Homes always need to be maintained, kitchens and bathrooms need refreshing and new decks and fences need building.

This is a stable business and there is the capacity to hire a full-time staff member to help to manage the workload.

As a local resident, you can enjoy working close to home and minimise the impact that Auckland traffic has on other businesses.

- Leverage the strong reputation of New Zealand's most highly regarded home services company
- All the technology and systems designed to run your business from the palm of your hand
- Training and support across finance, health and safety and marketing from a great franchise network that want you to succeed.
