

Lawn and Garden Services Franchise for Sale Bay of Islands

Do you want to step into a successful Lawn & Garden business with sales consistently over \$2,200 per week with room to grow?

After 6 amazing years of building our business, it's time for someone else to take the reins and make it their own. Are you that person?

We are sad to be selling our successful Green Acres Lawn & Garden franchise, but my family and I are moving on to something new. There is huge potential for growth in our area, and doing a good quality job means the referrals for more work are always coming in.

We have a solid business with a regular, loyal customer base, through Kawakawa, Kaikohe, and the wider Bay of Islands region. You can earn an income and have cash flow from your first day, with plenty more work opportunities available if you want them.

Green Acres is New Zealand's largest home services franchise group who have been helping kiwis start and run their own successful small businesses for over 30 years. There are over 400 franchisees around the country providing lawn and garden and cleaning services to over 70,000 customers annually
