

# Cleaning Franchise for Sale North Shore

## Top Performing Exterior Cleaning Business

Seize the opportunity to own Washrite Upper North Shore, Rodney, and Mangawhai-a top-performing franchise within Washrite Group, New Zealand's largest and fastest-growing exterior cleaning company.

### Why This Business Stands Out

- \* Proven Business Model - A well-established and highly profitable system offering residential house washing and commercial exterior cleaning services.
- \* Top Performer - Consistently ranked among the top revenue-earning franchises in the Washrite Group (out of 27 nationwide). Enjoy the benefits of a premium brand with strong local and national recognition, plus full training and support.
- \* High-Growth Territory - Covering a booming population of 200,000+ residents, your exclusive territory stretches from Constellation Drive in Albany and the Hibiscus Coast in the south to Langs Beach and Mangawhai in the north. The size and scale of the business has grown to a point where a future owner could even split the territory into two separate franchises for further expansion, if that was desired.

### What's Included?

- \* Turnkey Operation - Fully equipped business with a modern vehicle fleet and high-quality equipment ready to go.
- \* Diverse Client Base - Established mix of commercial and residential customers, plus immediate leads and sales to hit the ground running.
- \* Exclusive Territory - A prime, high-demand area with huge growth potential.
- \* Franchise Benefits - National branding, group purchasing discounts, and expert marketing support.
- \* Booming Market Demand - Exterior cleaning services are in high demand year-round, ensuring consistent revenue.

### No Experience? No Problem!

Full training and ongoing support are provided to help you succeed. The current owner, nearing retirement, is committed to ensuring a smooth transition-and is even open to offering short-term vendor finance to make the purchase easier.
