

Lawn Weed & Feed Service Franchise for Sale Tauranga

A well proven and successful weed and feed service in the rapidly expanding Tauranga region

After 9 years Peter is ready to retire!

Pimplylawn Tauranga License is for sale

Located in the vibrant and rapidly expanding Greater Tauranga area, the second fastest growing city in New Zealand, this business benefits from strong referral work. Aided by a great website and your own marketing efforts this presents a great opportunity for a new owner to leverage Tauranga's' growth potential.

Pimplylawn has been operating in New Zealand for over 15 years.

The benefit of being a licensee are:

An excellent well proven system

Daily quoting, invoicing and accounting systems

Handling phone, email and web enquiries

Scheduling and synchronizing daily re-occurring jobs

Processing of fortnightly payroll, if needed

2 monthly GST returns

Monthly debtor control

Product selection, Sourcing and delivery

Health and Safety System

Great head office support

And much more

For more information and to schedule a meeting give Peter a call on 027 5240013

Training and Support: no prior experience is needed to take over this business. Full 2 weeks training will be provided, and head office is available for advice and assistance. Additionally there is a network of operators who keep in touch and share advice and knowledge.

Currently operating 2 vans in the region with the opportunity to grow, this business offers a motivated owner operator a good income from day one.

Price includes a comprehensive package: as the new owner, you will acquire all the necessary equipment, consumables and vehicles which are being used daily. Everything is in good working condition.
