

Hire A Hubby Property Maintenance Franchise for Sale Bay of Plenty Coast

Bay of Plenty Coast Hire A Hubby For Sale | \$63,000 | 12,000+ Households | Urban, Rural & Horticultural | Earn From Day 1

Most Hire A Hubby territories cover 5,000 homes in a single suburb. This one covers 12,000 to 14,000+ households across the Bay of Plenty's most diverse corridor — from the rapidly growing coastal community of Omokoroa through Katikati and Waihi to Paeroa. It includes urban home maintenance, rural farming properties, kiwifruit orchards, and commercial contracts with clients like NZTA. There is no other franchise territory in New Zealand like it.

Rob Hunter built this business from scratch with an engineering background — no trade qualification. Through consistent networking and a hands-on approach, he developed a loyal client base spanning urban homeowners, farming and horticultural operations, and commercial clients. After 8 years, Rob is moving on and looking for the right person to take the business to its next level.

THE WORK — WHAT MAKES THIS UNIQUE:

Urban: building, demolition, painting, repairs, landscaping, general construction. Rural and horticultural (unique to this territory): post and rail fencing, kiwifruit orchard work, fruit tree pruning, farm water supplies, farm fencing, farm building maintenance, NZTA property maintenance. Smart job grouping keeps travel efficient — all travel is priced into client jobs.

IDEAL BUYER:

You don't need a trade qualification — Rob's story proves it. Previous Hire A Hubby owners have come from engineering, IT, management, the Army, the fire service, and retail. If you're practical, enjoy working outdoors, and want to build a real business in one of New Zealand's most beautiful regions, this could be your next chapter.

Financial Snapshot:

1. 12,000-14,000+ households — 2-3x the HAH standard territory minimum
2. Te Puna to Waihi Territory
3. Omokoroa — one of NZ's fastest-growing communities — new clients arriving every month
4. 8 years of trading history — 300+ loyal clients ready to book from Day 1
