Own a Proven, Award-Winning Franchise for a Bargain!

Driving Miss Daisy Whanganui, proudly operating for 7 years, is part of New Zealand's leading companion driving service. Recognised as the best in the industry, Driving Miss Daisy recently won the Supreme Franchise System of the Year award at the 2024 Westpac New Zealand Franchise Awards, praised for "ticking all the boxes."

This is a rare opportunity to own a business that combines purpose with profit. The vendor, retiring after years of building strong customer relationships, must sell, presenting you with an incredible chance to step into a business well below market value.

With three fully branded vehicles, a loyal team, and an established client base, you can start earning from day one. This is more than just a business-it's a way to make a meaningful impact in your community while enjoying:

- * A large, exclusive franchise territory
- * Growing demand for companion driving services
- * A low-cost, flexible home-office setup
- * Outstanding franchisor leadership and support
- * Comprehensive training and handover
- * Massive growth potential

You don't need prior experience-just a caring attitude and a passion for helping others. Driving Miss Daisy franchise owners are known for blending "a heart for service with a head for business."

This opportunity is perfect if you are:

- * Excited to own and grow a proven business
- * Passionate about community and customer care
- * Ready to benefit from a trusted franchise model
- * Energetic, outgoing, and ready to lead

This business must be sold! Act now to secure a thriving franchise at an exceptional price and drive your success forward.
