

Companion Driving Service Business Opportunity for Sale

Waimakariri West

Lead the Way in Companion Driving Services. Own the BestDriving Miss Daisy Waimakariri West !!

We provide safe, friendly and reliable transportation and companion care service for all.

The DMD brand has established a nationwide reputation for providing a quality service including strong partnerships with national organisations. As awareness of both our brand and reputation increases, so does the demand for our service.

The North Canterbury Franchise has been operating for 13 years and due to exceptional growth, we have split the franchise territory. It is a turnkey business with many regular clientele and a steady stream of new bookings. Turnover is currently sitting at over 13% on last year's net sales. This trend looks set to continue, with new property developments and population growth in the Waimakariri District.

This is a new franchise area but comes with established business, that offers not only the satisfaction of positively impacting your community, but also:

A large franchise territory

4x branded vehicles, including a wheelchair accessible vehicle

4x vehicle iPhones

Opportunity for existing experienced staff

Existing strong reputation for exceptional service

Low-cost, flexible business model with home office

Exceptional team culture and franchisor leadership

Comprehensive training, a generous handover, and ongoing local support

Outstanding growth opportunities
