Coastal Companion Driving Business

Step into a thriving, established Driving Miss Daisy franchise in Whitford-Beachlands, a prime East Auckland territory with a loyal client base, two branded vehicles (including a wheelchair-accessible model), and an exceptional reputation for care and reliability.

This is more than a transport business, it's a trusted community service, helping seniors, people with disabilities, ACC clients, and busy families maintain independence and connection. Every trip is an opportunity to make a positive difference, from attending medical appointments to helping with shopping or accompanying clients to social events.

- * Why Botany Stands Out
- * Approx. 45 regular clients and a 441-strong database
- * 3 branded vehicles, including a wheelchair-accessible VW Caddy
- * Strong referral network with retirement villages, medical providers, and ACC
- * Established connections with organisations such as Age Concern, Ryman, Summerset, and HBH Senior Living
- * Home-based, low-overhead business model
- * Growth potential through weekend/evening work, new retirement village links, and increasing mobility needs from an aging population

As part of New Zealand's leading companion driving service, you'll benefit from:

- * National contracts that deliver a steady flow of work
- * Comprehensive initial training and ongoing development
- * Proven operating systems, including scheduling and accounting software
- * National and local marketing campaigns
- * Ongoing operational support from an experienced head office team

Industry experience isn't required. The proven model, resources, and guidance will help you hit the ground running. This business offers flexibility, purpose, and plenty of opportunity to grow.

Opportunities like this are rare in such a sought-after area. If you're community-minded, driven, and ready to own a rewarding business with strong brand backing, enquire today.

Please Note: This opportunity is for an owner operator and you need to live within 10kms of the Whitford-Beachlands franchise territory. There is also the Botany franchise available, see this link: <http://linkbusiness.co.nz/EL04949>
