Looking for a recession-proof business with strong brand recognition and consistent demand? This well-established Fibrenew franchise is your chance to own a successful enterprise specialising in leather, vinyl, and plastic restoration.

Even during economic downturns, the need for cost-effective repair services remains high, ensuring a steady customer base.

There is leather, plastic, and vinyl everywhere that become damaged through normal wear and tear or accidents.

Fibrenew technicians are called upon to restore rips, fades, stains, cracks, scratches, and holes on items in homes, vehicles, boats, planes, and businesses.

Benefit from comprehensive training, ongoing support, and a proven business model that has thrived across New Zealand. Ideal for hands-on entrepreneurs seeking flexibility, stability, and long-term growth.
