Southern Maid Donuts-Stores+NZ Franchisor License

Southern Maid Donuts - 2 Stores + Exclusive NZ Franchisor Rights

Own the brand, own the future.

This is a rare opportunity to acquire not only two fully operational Southern Maid Donuts stores but also the exclusive master franchisor rights for New Zealand.

About the Business

Southern Maid Donuts is a globally recognised brand with a loyal following and a reputation for premium quality. The two existing stores are strategically located, professionally fitted, and staffed with trained teams. Both are already generating income, giving you a strong foundation from day one.

The Opportunity

What makes this offering unique is the inclusion of the franchisor licence. As the new owner, you will control the brand across New Zealand - with the rights to open new stores, sell franchises, and grow the network. The systems, recipes, supply chain, and franchise structure are already in place, making this a true turnkey opportunity.

Key Highlights

- * 2 profitable, established stores included in the sale
- * Exclusive NZ franchisor rights to Southern Maid Donuts
- * Globally recognised brand with strong customer loyalty
- * Fully systemised operations with supply chain in place
- * Growth potential through additional store openings and franchise sales

This is more than just buying two outlets - it's your chance to own the brand in New Zealand and shape its expansion.
