With an efficient setup process and an excellent word-of-mouth reputation, this is a well-established, lifestyle-friendly business with strong seasonal income potential.

Business Resources

The business includes multiple marquee options, along with vintage wooden trestle tables, white gladiator chairs, festoon lighting, and a fully enclosed marquee trailer to keep all equipment clean and dry.

It also comes complete with a professional website and a well-established Instagram presence — a ready-made platform to attract new clients and showcase past events.

Full training will be provided to ensure a smooth handover for the new owner.
