

Exclusive Local Assessor Business Opportunity for Sale (excluding Northland, North Shore, Waikato, B.O.P, Manawatu & Canterbury)

LOCAL ASSESSORS NEEDED

presentable with good communication skills

Presentable people with good communication skills earn excellent rewards for carrying out pre-contract local onsite assessments with our new clients and rental projects.

We design and market affordable granny flats and secondary dwellings from our Manawatu hub. We have LBP partners around NZ to build them. We also have an exclusive supply contract with an investor group to build long term residential rentals. We need Assessors to go onto new sites and gather information that we can't easily collect online. Once you provide us with a report, we have a process that takes things from there. You receive \$1,500 from each property deposit, and another \$1,500 on the build completion. We have a system in place that gets things moving from week 1 onwards, and work with you to nail down a plan for success.

Business Resources

We provide full training, business cards, printed posters for local referral programmes, email updates of work in progress, and a constant supply of sites to visit. For more info, just click the link below.
