

Sandless Floor Refinishing Franchise for Sale North Island wide

Average earning = \$2,010 in just SIX hours. How much do you make in six hours right now?

Mr. Sandless is the company that invented sandless floor refinishing, a system that anyone can learn with no prior experience!

We are the **largest floor refinishing company in the world**, delivering a **Green Certified**, dust-free alternative to traditional sanding.

Mr. Sandless has been successfully operating in **New Zealand since 2009**, with franchisees nationwide using our **patented sandless refinishing process** to build profitable businesses. Every Mr. Sandless NZ franchisee who has followed our proven system has achieved success.

With your commitment and motivation — supported by the **proven Mr. Sandless system** — you can achieve your goal of becoming a successful business owner.

Our franchise fee includes the initial training for you personally, operational systems, setup and support, all the equipment and the supplies to get started for sandless refinishing - so it is a great time to come onboard.

The following locations are currently **available**:

Hibiscus Coast

Rodney

Bay of Plenty

Waikato
