Domino's Pizza. Always in High Demand.

Domino's stores are some of the most sought-after hospitality businesses on the market - and for good reason. With a globally trusted brand, robust systems, and predictable profitability, they offer a rare blend of security and performance.

This fully managed Auckland store is no exception.

Strategically located in a high-profile central suburb, it's been a consistent performer for nearly 20 years. Recently refurbished to meet Domino's latest brand standards, the store runs like a well-oiled machine - delivering over \$26,000 in weekly sales and a surplus of around \$204,000 to a hands-on owner.

Whether you're looking for a turnkey investment or a high-performing business to actively grow, this ticks all the boxes.

Key Highlights:

- * Weekly sales of \$26,000+ (including GST)
- * Approx. \$204,000 surplus to a working owner
- * Fully managed with experienced team in place
- * Modern, refurbished fit-out to current brand spec
- * Strong lease with long secure term
- * National brand backing, full training, and marketing support

Opportunities like this don't come up often - and when they do, they don't last. Domino's franchises are tightly held for a reason: reliable returns, streamlined operations, and serious buyer interest.

Do not miss out on this one!
