Highly Desirable BurgerFuel Franchise

Some hospitality brands need introduction. BurgerFuel isn't one of them.

This is an opportunity to acquire a long-established BurgerFuel franchise operating under one of New Zealand's most recognisable and loved hospitality brands. With its cult following, bold personality and premium gourmet burger menu, BurgerFuel has carved out a unique position in the quick-service restaurant market.

Even more telling is the ownership history. The current owner has operated this store for more than 20 years! In hospitality, that kind of longevity says a great deal. Businesses simply don't last that long unless they are successful, enjoyable to run and supported by loyal customers.

For a buyer, this means stepping into a business where the foundations are firmly in place. Brand recognition is powerful, systems are proven and the customer base has been built over decades.

The venue presents exactly as you would expect from BurgerFuel - energetic, distinctive and built for fast-paced service. Seating for approximately 52 customers comfortably handles busy service periods.

Importantly, the profits here are commensurate with the asking price - something serious buyers will immediately recognise.
