**4.9 STAR**  
CUSTOMER RATING

## Step into a high-yield business with Venluree's proven success in Tauranga and Coromandel

This opportunity offers a profitable business in the window treatment industry with Venluree, one of New Zealand's most trusted names. The Tauranga and Coromandel territory is a standout performer. This business is a proven earner. In a booming market, it has delivered over \$1M in turnover with \$250k+ in annual profits. Even through a quieter property cycle, it has maintained a steady \$100k+ profit. With interest rates softening and the Bay of Plenty/Coromandel regions seeing renewed activity, the business is perfectly positioned for a new owner to capture the next upswing.

This business eliminates the need for cold calling with all lead generation handled by a dedicated National Contact Centre. Operate from a home office, saving on commercial lease costs, and manage custom-ordered stock from a single garage or a small storage unit (current model). Enjoy the flexibility of choosing your hours, currently at 55-60 hours per week for a couple, or reduce to 35-40 hours with a contract installer. There's no stock risk as products are custom-made to order, freeing up capital.

The sale includes an exclusive license for the high-growth Tauranga and Coromandel regions, a dual vehicle fleet for consultations and installations, and a full asset kit with premium samples and digital systems for efficient quoting, ordering, and CRM management. Comprehensive training and ongoing support from Venluree Head Office ensure a smooth transition.

Whether you're a hands-on operator aiming to maximise the profit potential or seeking a lifestyle business with flexible hours and a \$100k+ return, this opportunity can be tailored to meet your goals
