Proven Domino's Franchise in High-Demand Area

Exclusive Listing - High-Demand Domino's Franchise | \$20,000 Weekly Sales

Take advantage of this outstanding opportunity to acquire a well-established Domino's franchise located in a high-density residential catchment with strong demand and limited competition.

This store consistently delivers ~\$20,000 in weekly sales, supported by a loyal customer base and surrounding complementary businesses that drive steady foot traffic and repeat orders.

A key highlight is the very affordable rent at just over 4% of sales (including outgoings)-a rare advantage that significantly enhances profitability and long-term sustainability.

The business is easy to operate with a lean staffing structure, making it an ideal acquisition for a working family or hands-on owner-operator looking to step into a proven system with full franchisor support.

Additional features include:

- * High-visibility location in a busy residential area
- * Ample parking, ensuring convenience for customers and delivery operations
- * Well-established systems and processes under a globally recognised brand
- * Strong local demand with minimal direct competition

This is a turnkey opportunity offering stability, brand strength, and clear upside potential in an underserved market.

Once the Confidentiality Agreement (CA) has been completed, you will be contacted to arrange a personal meeting to discuss the business opportunity, financials, and next steps in detail.
