

ESTABLISHED HARRISONS SOLAR BUSINESS FOR SALE

A proven business in a thriving industry
with strong performance and
exceptional potential.

Own a profitable Harrisons Solar franchise, including Waiheke Island — proven profits in NZ's fastest-growing sustainable industry.

This established Harrisons Solar franchise provides residential and commercial solar solutions across Auckland and Waiheke Island. Backed by New Zealand's leading solar brand, the business benefits from strong brand recognition, proven systems, supplier relationships, and ongoing support.

Operating within the rapidly growing renewable energy sector, demand continues to rise as households and businesses seek to reduce power costs and improve sustainability. The franchise offers significant opportunities for growth through increasing market demand, repeat referrals, and expansion into battery storage and energy management solutions.

Ideal for a motivated owner, this business combines strong earning potential with the opportunity to make a positive environmental impact in a future-focused industry.

Business Resources

The franchise includes excellent working relationships with contracted installation teams, an optional administrator with over 5 year experience, established supplier relationships, proven operational systems, CRM and quoting platforms, branding, marketing support. Included are tangible business assets, a shared industry knowhow developed over eight years of operation, initial support from current owner (time to be negotiated). As well as comprehensive onboarding, sales, product, and system training provided through the Harrisons Retail Group, ensuring ongoing support for a new owner.
