

## For Sale

Location: **Taranaki**  
Asking: **\$40,000**  
Type: **Franchise New / Services-Other**

### Pro Waterblasting Taranaki Franchise - Exclusive territory, proven systems and strong provincial demand

Step into a brand customers already trust, with a practical playbook, proven systems and a territory that is yours to grow.

This is an exclusive greenfield Pro Waterblasting franchise opportunity covering the Taranaki region - a strong provincial market with ongoing demand across residential, rural, commercial, property management and light industrial sectors.

Franchisees provide residential and commercial exterior cleaning services including house washing, roof treatments, gutter cleaning, deck washing, concrete and driveway cleaning, and commercial building washing.

Taranaki offers an excellent mix of residential housing, rural properties, commercial premises, industrial sites and coastal environments, all creating regular demand for exterior cleaning, building washing, roof treatments, concrete cleaning and waterblasting services.

With major centres such as New Plymouth, Stratford, Hawera and surrounding towns, this territory provides a strong foundation for someone ready to establish a serious local service business with room to scale.

Start solo, build a fleet, develop repeat contracts and grow a long-term, scalable business with the backing of an established national brand.

#### Business Resources

Franchise package includes brand use, operating systems, instant quote process, marketing support, office and invoicing assistance, comprehensive practical training, industry advice, health and safety guidance, supplier and process know-how, startup support and equipment and vehicle setup guidance.

No industry experience is required, but a practical attitude, sales focus, strong customer service and the drive to build a local business are important.

Finance options are available, subject to approval.
