

## For Sale

Location: **Hawkes Bay**  
Asking: **\$190,000**  
Type: **Franchise Resale / Services-Other**

### Solatube Hawkes Bay & Taupo

1. Solatube - market leaders of skylight and ventilation systems
2. Licensed to sell and install the complete range of Solatube products
3. License covers the Hawkes Bay and Taupo territories
4. Trusted brand in constant demand
5. Currently operates as a sole trader wishing to retire
6. 26 years history under current ownership

After 26 years selling and installing Solatube products in Hawkes Bay and Taupo, the current licensee is for sale. It is rare that a Solatube territorial licensee comes to market which is testament to the strength of the Solatube brand and quality of products.

The current licensee operates as a sole trader but there is considerable scope to grow the business, employ staff and maximise the opportunity of the large territory.

This is a profitable business with excellent long term prospects for a motivated new licensee.
