Gloria Jean's Coffees Franchise Opportunity - Bring a World of Flavour to Your Local Community

Are you ready to own a cafe business backed by one of the world's recognised coffee brands?

Own a Gloria Jean's Coffees franchise and bring a world of flavour to your local community. Join an established international cafe brand with recognised coffee heritage, flexible store formats, New Zealand-roasted coffee, training, proven systems, operational guidance and marketing support.

Gloria Jean's Coffees offers motivated franchise partners the opportunity to build a customer-focused cafe business with the support of an established brand, proven operating systems, training, product innovation and ongoing operational guidance.

Founded in 1979, Gloria Jean's Coffees has grown into an international coffee house brand with a strong heritage in great coffee, warm service and flavour-led beverages and food. The brand now has 600+ coffee houses across 51 licensed territories, including New Zealand locations.

Gloria Jean's Coffees is more than coffee. The offer is designed around multiple customer occasions throughout the day, including morning coffee and breakfast, mid-morning pick-me-ups, lunch on the run, catch-ups with friends and family, and afternoon indulgence.

Franchise partners benefit from

1. Established brand recognition
2. Proven cafe systems and operating processes
3. Training and operational support
4. Marketing campaigns and beverage innovation
5. Supplier relationships and purchasing power
6. Location analysis and franchise support
7. Flexible store formats to suit different locations
8. The ability to include locally designed food cabinet options, subject to brand standards

Flexible store formats

Gloria Jean's Coffees offers flexible store formats including kiosk, small coffee house, full format cafes and drive-through opportunities, depending on the site. This gives franchisees the ability to explore different retail environments such as shopping centres, high-traffic retail locations, regional hubs and growing communities.

Coffee is roasted in New Zealand, and the brand's menu includes hot beverages, cold beverages, chillers, breakfast, lunch and snacks on the go. Franchisees are supported by a national menu framework while retaining the opportunity to tailor selected local food offerings to their community.

This opportunity may suit someone who is reliable, coachable, commercially aware and passionate about people, coffee, food and hospitality. Prior cafe or business experience is helpful, but comprehensive training is provided to cover the front-of-house and back-of-house requirements of the
