Own Your Own Professional Cleaning Products Business - Complete Turnkey Package from \$999

Build your own independent cleaning products business with the support of an established New Zealand company. For \$999 PLUS GST, you'll receive a complete turnkey business package featuring professional ready-to-use cleaning products, marketing materials, business cards, vehicle signage, sales guides, product training and access to ongoing wholesale pricing. Sell through markets, online, door-to-door, local retailers or directly to homes and businesses. There are no franchise fees or royalties—simply purchase stock at wholesale prices and grow your business at your own pace. This opportunity is ideal for anyone seeking a flexible side income or the chance to build a full-time enterprise with professional products people use every day

Business Resources

The business is supplied as a complete turnkey package. No premises or employees are required. Everything needed to commence trading is provided, including professional cleaning products, business cards, marketing material, vehicle signage, product guides, safety information and sales resources. SMG provides initial training, ongoing support and access to wholesale stock, allowing you to operate from home and grow at your own pace with minimal overheads.
