Franchise for Sale Description

Jani-King Cleaning Franchise for Sale New Zealand Wide

TAKE CONTROL OF YOUR OWN FUTURE!

Join forces with the Industry leader in commercial cleaning that has positioned itself as the world's largest commercial cleaning franchise company! Founded in 1969, Jani-King has more than 9,000 franchisees in 12 countries worldwide and over 120 Regional Support Centres.

Why Jani-King?

Jani-King's New Zealand franchisees receive fantastic operational and administrative support from local regional office teams throughout the country. Our online and practical training enables franchisees to work confidently with exceptional standards in a range of environments. Jani-King guides you through the process of buying a cleaning franchise and can answer any questions you may have about how to start your franchise cleaning business and how to grow it.

Benefits of becoming a franchisee include:

- Positive lifestyle change
- Work schedule flexibility
- Operational and administrative support from Jani-King regional offices
- World-class online training system for you and your employees
- Financial independence

Opportunities

From corporate offices, retail, supermarkets, and hotels to medical facilities and schools, professional cleaning services are in high-demand. Whether you are looking to supplement your current income by being your own boss on a part-time basis or looking to replace your full-time income with unlimited opportunity, the commercial cleaning industry and Jani-King are the solution.

Do you have an eye for detail?

Are you motivated to succeed?

Do you have a customer service ethic?

GREAT! We would love to hear from you
