Vaitapu is located on one of Rarotonga's most beautiful stretches of white sand beach and blue lagoon.

These architect designed pool beach villas offer the finest in relaxed island living that seamlessly interacts with the natural environment. Ensuite bedroom overlooking the pool, beach and lagoon, entertainer's designer kitchen and dining, infinity pool means that you can enjoy nature's creation from all parts of your villa.

Choose between a one-bedroom beach pool villa that would be attractive to romantic couples and honeymooners and a three-bedroom beach pool villa that will appeal as a family or corporate retreat.

Share ownership with family and friends or a group of fellow shareholders as a cost effective way to own a beachfront villa in Paradise or own your own villa outright!

A special opportunity for an onsite manager to own and operate a cafe, front desk, laundry and maintenance as well as live on-site in a three-bedroom residence offers the opportunity to be your own boss and live in Paradise!

The combination of an excellent beach location and luxurious pool villa design makes for an outstanding opportunity to own a unique family retreat and / or participate in the booming online market for individual pool beach villas.

Manage the villas yourself or ask the resort or your preferred manager to manage it on your behalf. Alternatively, purchase all 7 villas and own a five-star beach resort and manage it yourself!
