### Franchise for Sale Description

Night 'n Day Franchise Business Opportunity for Sale Nelson, Christchurch and Blenheim

We are looking for community focused people who are involved in their local area and want to run their own business with the assistance of a proven model and fantastic support.

Being part of the Night 'n Day group offers Franchisees the ability to earn higher than the industry average in key measurements:

- Turnover
- Gross Profit
- Net Profit

Through our combined strength we are able to offer our Franchisees major benefits:

- Slash paperwork
- Greater buying power
- Extended product range
- Sought after brand
- Proactive marketing
- Better work life balance

Our aim is to meet the demands of our customers and be leaders in the convenience grocery store market, hence our slogan "We've got it when you want it".

### Business Resources

All Franchisees receive three weeks training at our flagship store in Dunedin, this training covers all aspects of running a Night 'n Day store and ensures you hit the ground running.

You will have ongoing support from our Support Centre, including monthly visits from your field manager, access to proven processes and procedures and a level of assistance from our administration and accounting team that allows you to work on your business rather than in it, enabling you to grow.
