Franchise for Sale Description

Cafe Franchise for Sale Upper Hutt Wellington

Gloria Jean's Coffees is a much loved café brand with hundreds of stores located throughout the world. The proven franchise system and support has enabled this business to grow into a powerhouse for coffee connoisseurs. Added to the customer appeal is the appetising menu which is always keeping up with market trends. Part of our commitment, to our business partners, is that we have extensive training with highly qualified staff that can give you the confidence to operate your business effectively. All the initial training is included in the purchase price. At Gloria Jean's we also pride ourselves with our robust business systems and ongoing support.

What makes Gloria Jean's Coffees unique?

- Buying power – our collective procurement gives us access to competitive industry pricing.
- Barista-Trained Coffee Specialists – hand picked and hand crafted coffee beans.
- Proven Global Operating System – Leading edge thanks to over two decades of experience.
- Solid International Brand Positioning – Always keeping our brand top of mind.
- Strong Social Conscience – Ethically sourced beans in collaboration with farmers.
- Innovative Product Range - Never standing still, yet continually researching and updating our products.
- Vertically Integrated – Our state of the art coffee roasting facilities allow us total quality control.

We are pleased to announce that we have a new site currently trading which we would be delighted in converting to a Gloria Jean's Coffees kiosk. Our new look model has been well received in the international market. The existing trading site benefits from great exposure and a captive customer audience.
