### Franchise for Sale Description

Restaurant Franchise for Sale Auckland CBD

Do you have Hospitality experience and want to run a beautiful restaurant but you have little money to start? Then this is just a fabulous opportunity for you!

Not only is it ridiculously cheap but you get FREE rent (and no OPEX) for the rest of 2020! How good is that?! This is owned by a large hospitality group but it is surplus to their requirements so they are just about giving it away!! If you want their ongoing help, they are happy to look at that also.

Very smart place this! Top quality fit out and in a very central CBD location. Would have cost \$400k PLUS to set up. Sales were running at around \$12,000 per week before lock down but there is certainly room for genuine growth here. This place is run just by staff at the moment and so a dynamic owner operator will be able to run a nice hospitality business.

You do need to do well here so you will need some experience in Hospitality.

- Excellent CBD location
- Beautiful fit out
- Nice strong lease in place
- The restaurant has 40 seats of its own but access to another 60-odd shared seats.

There is absolutely nothing for a new owner to do here. Everything is in superb condition and all equipment is under 2 years old. If you are wondering what the next step of your life looks like, you should take a very close at this one! These opportunities pop up every so often so you need to grab it!

Price is firm at \$39,000 plus stock
