### LJ's Fish & Chips - Kiwi As!

If you're keen to be in business for yourself (but not by yourself) and love fresh, quality food as much as we do, there's a new franchise opportunity waiting for you.

LJ's opened its doors in 1989, with a passion for serving up the very best fish and chips to New Zealand seafood lovers. As it turned out, Kiwis liked it and LJ's grew quickly from little minnow to top of the fish and chips food chain. From Wellsford to Kapiti LJ's continues to serve Kiwis their favourite takeaway.

There's only one thing more important than serving up seriously good seafood and that's ensuring seriously good seafood continues to be served up for generations to come. LJ's snapper, hoki and tarahiki are sourced from the most sustainable fishery in the world, and the exploration of new ways of safeguarding NZ's fish stocks for the future is ongoing.

Sustainably sourced from around New Zealand, LJ's fish are prepared with care - whole fillets are hand cut and trimmed daily in-store and the tasty chips are made from potatoes farmed in mighty Timaru. Kiwi As!

Kiwis love seafood - It's a local thing - support local.

As an LJ's franchisee, you'll enjoy all the benefits of:
