Service Franchise for Sale Auckland

Established and Profitable Franchise Business — operating within the Auckland Region. Little competition and huge potential. Huge market. Annual Profit in excess of \$100,000. Five days a week.

Very few competitors in its niche market. Would suit someone who is a practical do it yourself type person who has good customer service skills. The franchise covers the whole of the Auckland Region so location is not an issue. Can be operated from home, if required.

The focus is on all sorts of buildings — residential, commercial, hotels, malls etc - anything you can think of that is occupied by people!

Full training and assistance will be provided by the retiring owner but the product and service range is specific and easily managed.
